The Golden Isles Duplicate Bridge Club held a tournament on the weekend of April 4-6. Players came from all over Georgia and the surrounding states to compete. The St. Simons Bridge Center was filled with tables each day with games held each morning, afternoon and evening.

Everyone enjoyed the tournament, with visitors complimenting the club members on a fine facility and friendly members. Competitors were also treated to delicious snacks and a Sunday lunch. It was a successful tournament for all involved!

Call the Duplicate Bridge Center at 634-0805 for more details on our duplicate games held every day.
