Guests enjoyed a special "evening at Tiffany's" at the CASA Silent Auction on April 2. Tiffany & Co. of Charlotte, N.C. was one of the major sponsors of the event which benefits CASA Glynn. Chances to win special treasures hidden in the classic Tiffany blue gift boxes were purchased by attendees and everyone enjoyed untying the bows to see what was inside. The big winner of the evening, who took home a beautiful necklace of freshwater pearls, was Leah Hopkins. It was a terrific night for everyone involved - especially the children who benefit from the services of CASA!
