

# Symphony Society Celebrates Two Years

Members of the Coastal Symphony of Georgia Society celebrated their second, highly successful year of fundraising with a year-end membership meeting at Christ Church Parish Hall. Willie Hammett, the Symphony's principal trumpet, gave an entertaining presentation on the history of wind instruments.

President Leslie Mattingly thanked outgoing board members for their role in putting the Symphony on solid financial footing by raising more than \$300,000. Members elected a new board to be headed by Sue Cansler.

The Symphony has scheduled Cabaret 2009 for February 28. New members are welcome to join at [society@coastalsymphonyofgeorgia.org](mailto:society@coastalsymphonyofgeorgia.org).
