

where life takes on
a new perspective...

...ATTUNED TO NATURE'S RHYTHMS AND DELICATE BALANCE.

Come and discover for yourself what everyone is talking about — The Peninsula at The Golden Isles.

With more than 13 miles of breathtaking deepwater shorelines and nine miles of navigable freshwater lakes, the Peninsula is the rare community where conscientious design and conservation happily coexist. Exceptional amenities are planned that include extensive nature trails, swimming facilities, state of the art fitness center, marina and a village center that will offer fine dining, a relaxing spa and luxurious B&B.
