know how. know who.

It's not only important that you choose the right team of experienced professionals. It is also vital that you know who is in your home and who is standing behind the work. For more than 46 years, Brunswick Floors has floored Southeast Georgia. National top name brand carpet for a single room or for an entire house, beautifully crafted woven area rugs, handsome hardwood floors, exciting ceramic tile, and dramatic natural stone all at the best price and installed by our on-staff professional installers. Know how. Know who.

go with an original.
leave the copies to us.

Everyone knows that true originals make the absolute best copies. It's a well known fact and a simple business philosophy. Go with an original and you are guaranteed to get remarkable results.

Without question, Golden Isles Office Equipment is a true original. For more than 30 years, Golden Isles Office Equipment has been providing business products to Brunswick and the Golden Isles.

We are proud to sell and service Konica Minolta and Copystar color and monochrome copiers, laser and wide format printers, high volume fax machines, printer supplies and cartridges.

Call us today for a complete demonstration or for additional information on any of our many Konica Minolta and Copystar products.
