**WHY'S IT CALLED
 "THE 4TH OF MAY"???**

In 1985, three good friends, Jody, Judy and Flo, got together to open a fine dining establishment on Frederica Road. It served five-course meals and great wine for a set price. Great concept... needed a great name. Since the three friends shared the same birthday (rather unique) they decided to name it for that auspicious date, and The Fourth of May was opened. It was a "special occasion place" for nine years. When Jody and Judy retired, Tom joined his mom, Flo, in the business.

They moved to the village area and opened the Cafe and Deli so more people could eat for less money (another great concept). Today, Tom and his wife, Anne, are the owners of The 4th of May Cafe and Deli. And Flo operates The 4th of May Catering Company, a high-end, full-service company serving special events and organizations.

We hope you will enjoy your Visit with us and come back often. And Flo wishes to remind you to "eat your veggies." And Tom has the best idea - "if you don't eat here, we'll ALL starve." ENJOY!!!
